## **STATEMENT OF FACTS**

### **Violation No. 1 - Admission to Smoking Methamphetamine on 8/9/2006**

The subject began his current term of supervised release on 7/5/2006. As a condition of supervised release, the subject was required to report to Hina Mauka for drug treatment and testing.

On 8/11/2006, while at Hina Mauka, the subject provided a urine specimen that was presumptively positive for methamphetamine. The specimen was forwarded to Scientific Testing Laboratories (STL) for confirmation testing.

On 8/14/2006, this officer met with the subject at the U.S. Probation Office. Upon being questioned about the presumptively positive drug test, the subject admitted that on or about 8/9/2006, the subject met an "old friend" who offered him "ice." The subject indicated that he made a mistake and smoked methamphetamine. The subject expressed remorse for his actions.

The subject was verbally reprimanded and warned that drug use was not acceptable. Additionally, to address the subject's relapse, the subject was required to enter and complete a higher level of drug treatment at Hina Mauka. On 9/8/2006, the subject was admitted into the Intensive Outpatient Program (IOP) at Hina Mauka.

On 8/23/2006, STL reported that the urine specimen submitted on 8/11/2006 was negative for methamphetamine.

### **Violation No. 2 - Untruthful to Probation Officer**

In April 2007, the subject was unemployed and searching for a job. The subject's job search efforts were being monitored by this officer. On 4/12/2007, at approximately 8:00 a.m., this officer telephonically contacted the subject and instructed him to attend a job fair at Leeward Community College (LCC) that same day. The subject reported that he had no appointments and would attend the fair.

Later that same morning, this officer attended the LCC job fair to establish contacts with employers that are willing to hire offenders. While at the job fair, this officer did not observe the subject.

On 4/13/2007, this officer contacted the subject and inquired if he attended the LCC job fair. The subject reported that he did attend the fair but did not have any luck finding employment. In response to this officer's inquiries about what employers were present at the

fair, the subject named employers that were not at the fair. This officer then asked the subject to describe what area of the LCC campus the fair was set up. The subject stated that he did not know how to describe it. This officer asked the subject whether the fair was indoors or outdoors. The subject incorrectly reported that it was indoors. This officer informed the subject that he was incorrect and was being untruthful. The subject then admitted that he did not attend the fair and was being untruthful. He explained that because he did not attend the fair, he did not want this officer to think he was being lazy. The subject was verbally reprimanded and warned that any further dishonesty would not be tolerated and would be addressed with the imposition of more severe consequences.

**Violation No. 3 - Refusal to Comply With Drug Testing on 9/12/2006, 5/3/2007, 6/12/2007, and 7/30/2007; and Violation No. 4 - Admission to Smoking Methamphetamine on 7/29/2007**

On 9/12/2006, the subject failed to report to Hina Mauka for drug testing. Upon being questioned about his failure to appear, the subject informed this officer that he must have forgotten to call the recorder. The subject was verbally reprimanded and instructed to make all future urine testing dates.

On 5/3/2007, the subject reported to Hina Mauka for drug testing at 7:55 p.m. According to the urine collector at Hina Mauka, the subject was unable to provide a urine specimen before Hina Mauka closed at 8:00 p.m. Upon being questioned by this officer, the subject reported that he was sick and had been throwing up during the day. He explained that he was aware that Hina Mauka closed at 8:00 p.m. but had overslept and arrived later than intended. According to the subject, he was dehydrated and could not urinate. The subject reported that he had not seen a doctor. The subject was verbally reprimanded and warned that future stalls would result in the imposition of sanctions.

On 6/12/2007, the subject failed to report to Hina Mauka for drug testing. Upon being questioned, the subject stated that he had been busy with work and must have forgotten to call the recorder. The subject was verbally reprimanded and informed that he would remain in drug testing for an additional 3 months. Furthermore, the subject was reminded that this was his second stall in 2 months and that increased sanctions would be imposed if he continued to fail to report for drug testing.

On 7/30/2007, the subject failed to report to Hina Mauka for drug testing. On the morning of 7/31/2007 at approximately 9:30 a.m., this officer conducted an unannounced home visit at the subject's residence. Upon questioning the subject about his failure to report to Hina Mauka, the subject indicated that he thought he called the Hina Mauka recorder but acknowledged that

he may have forgot. This officer verbally reprimanded the subject for his failure to appear for drug testing and instructed him to provide a urine specimen.

The subject reported that he had recently urinated and would have difficulty providing a urine specimen. The subject attempted to provide a specimen but informed this officer that he could not urinate. This officer inquired if the subject had recently used any illegal drugs. The subject reported that he had not used any illegal drugs and explained that he simply could not urinate. The subject was instructed to drink liquid to help him urinate. The subject proceeded to finish a soda and several glasses of water. Over the course of the next 2 hours, at the direction of this officer, the subject attempted to urinate on several occasions but each time indicated he could not. Finally, at approximately 11:45 a.m., this officer informed the subject that this officer had no intention of leaving his home and would remain there until he provided a urine sample. Immediately following this, the subject was able to provide a small amount of urine.

The subject's urine was tested with a hand held testing device that was presumptively positive for methamphetamine and marijuana. Upon being confronted with the test result, the subject then admitted that he smoked methamphetamine on 7/29/2007. The subject explained that he had recently been involved in a break-up with his girlfriend and was feeling down. He stated that he went for a swim at "Tracks" beach in Ewa and met a couple of "old friends." He explained that he smoked "ice" with them. Upon being questioned about the marijuana in his urine, the subject reported he had no idea why he would test positive for marijuana. After speaking further with the subject, he recalled that his friends smoked "ice" and marijuana. He explained that he had joined his two friends in their car and that he must have inhaled second hand marijuana smoke. The subject denied smoking any marijuana. The subject was instructed to report to the U.S. Probation Office on 7/30/2007.

On 7/30/2007, the subject appeared at the U.S. Probation Office. Based upon the subject's recent completion of IOP treatment at Hina Mauka followed by this relapse, this officer informed the subject that he would be required to seek a higher level of drug treatment. The subject was instructed to seek entry into the Salvation Army Adult Rehabilitation Center (ARC) residential drug treatment program. The subject informed this officer that he did not feel he was in need of residential treatment and was afraid that he would lose his home if he entered residential treatment. The subject was informed that if he refused to seek residential drug treatment, this officer would initiate revocation proceedings. The subject was provided with one day to contemplate his decision. On 7/31/2007, the subject informed this officer that he would not enter into a residential drug treatment program.

**Criminal No. CR 04-00272SOM-02**  
**REVOCATION OF SUPERVISED RELEASE**  
**STATEMENT OF FACTS - Page 4**

**Conclusion**

Since the onset of supervision, the subject has been given ample opportunity to address his drug addiction. During this term of supervision, the subject was afforded drug treatment opportunities in the Hina Mauka Drug Aftercare Program (DAP), and Hina Mauka Intensive Outpatient Program (IOP). Most recently, the subject's refusal to enter into a residential drug program suggests that he is not amenable to further treatment. Additionally, he has refused to comply with drug testing and has purposefully attempted to evade detection of his drug use. The subject's actions indicate he is not able to comply with the terms of supervision and that he poses a danger to the community. As a result, it is recommended that a No Bail warrant be issued for his appearance before the Court to show cause why supervised release should not be revoked.
